# AMERICAN HOBBY HORSE

Presented by:

*Young* Rider

A favorite free event Saturday afternoons in July and October, the worldwide sport of hobby horsing debuted in America at TIEC in 2017. All that's required for this sport is a hobby horse, a toy consisting of a stick with a horse head that participants "ride." Riders complete a course of jumps with their hobby horse, scored for time, incurring faults for every rail knocked down. Ribbons are awarded to top scores per division, as well as special awards. Pre-registration is required online in advance. Now open to participants four through 15+!

# Hunters/Jumpers

TIEC offers first-class facilities for all equestrian disciplines, showcasing Dressage, Driving, Equitation, Eventing, Hunters, Jumping, Mounted Games, Para Dressage, Rodeo, Vaulting, and multidiscipline events throughout the year. Boasting 13 all-weather, state-of-the-art competition rings, an Indoor Complex, more than 1,400 permanent stalls, air-conditioned bathrooms and ample shaded spectator areas, TIEC is the nation's premier horse show venue and provides an unparalleled competitor experience. Hunter/Jumper competitions are the backbone of TIEC's annual competition calendar, available at [Tryon.com/compete](https://www.tryon.com/compete).

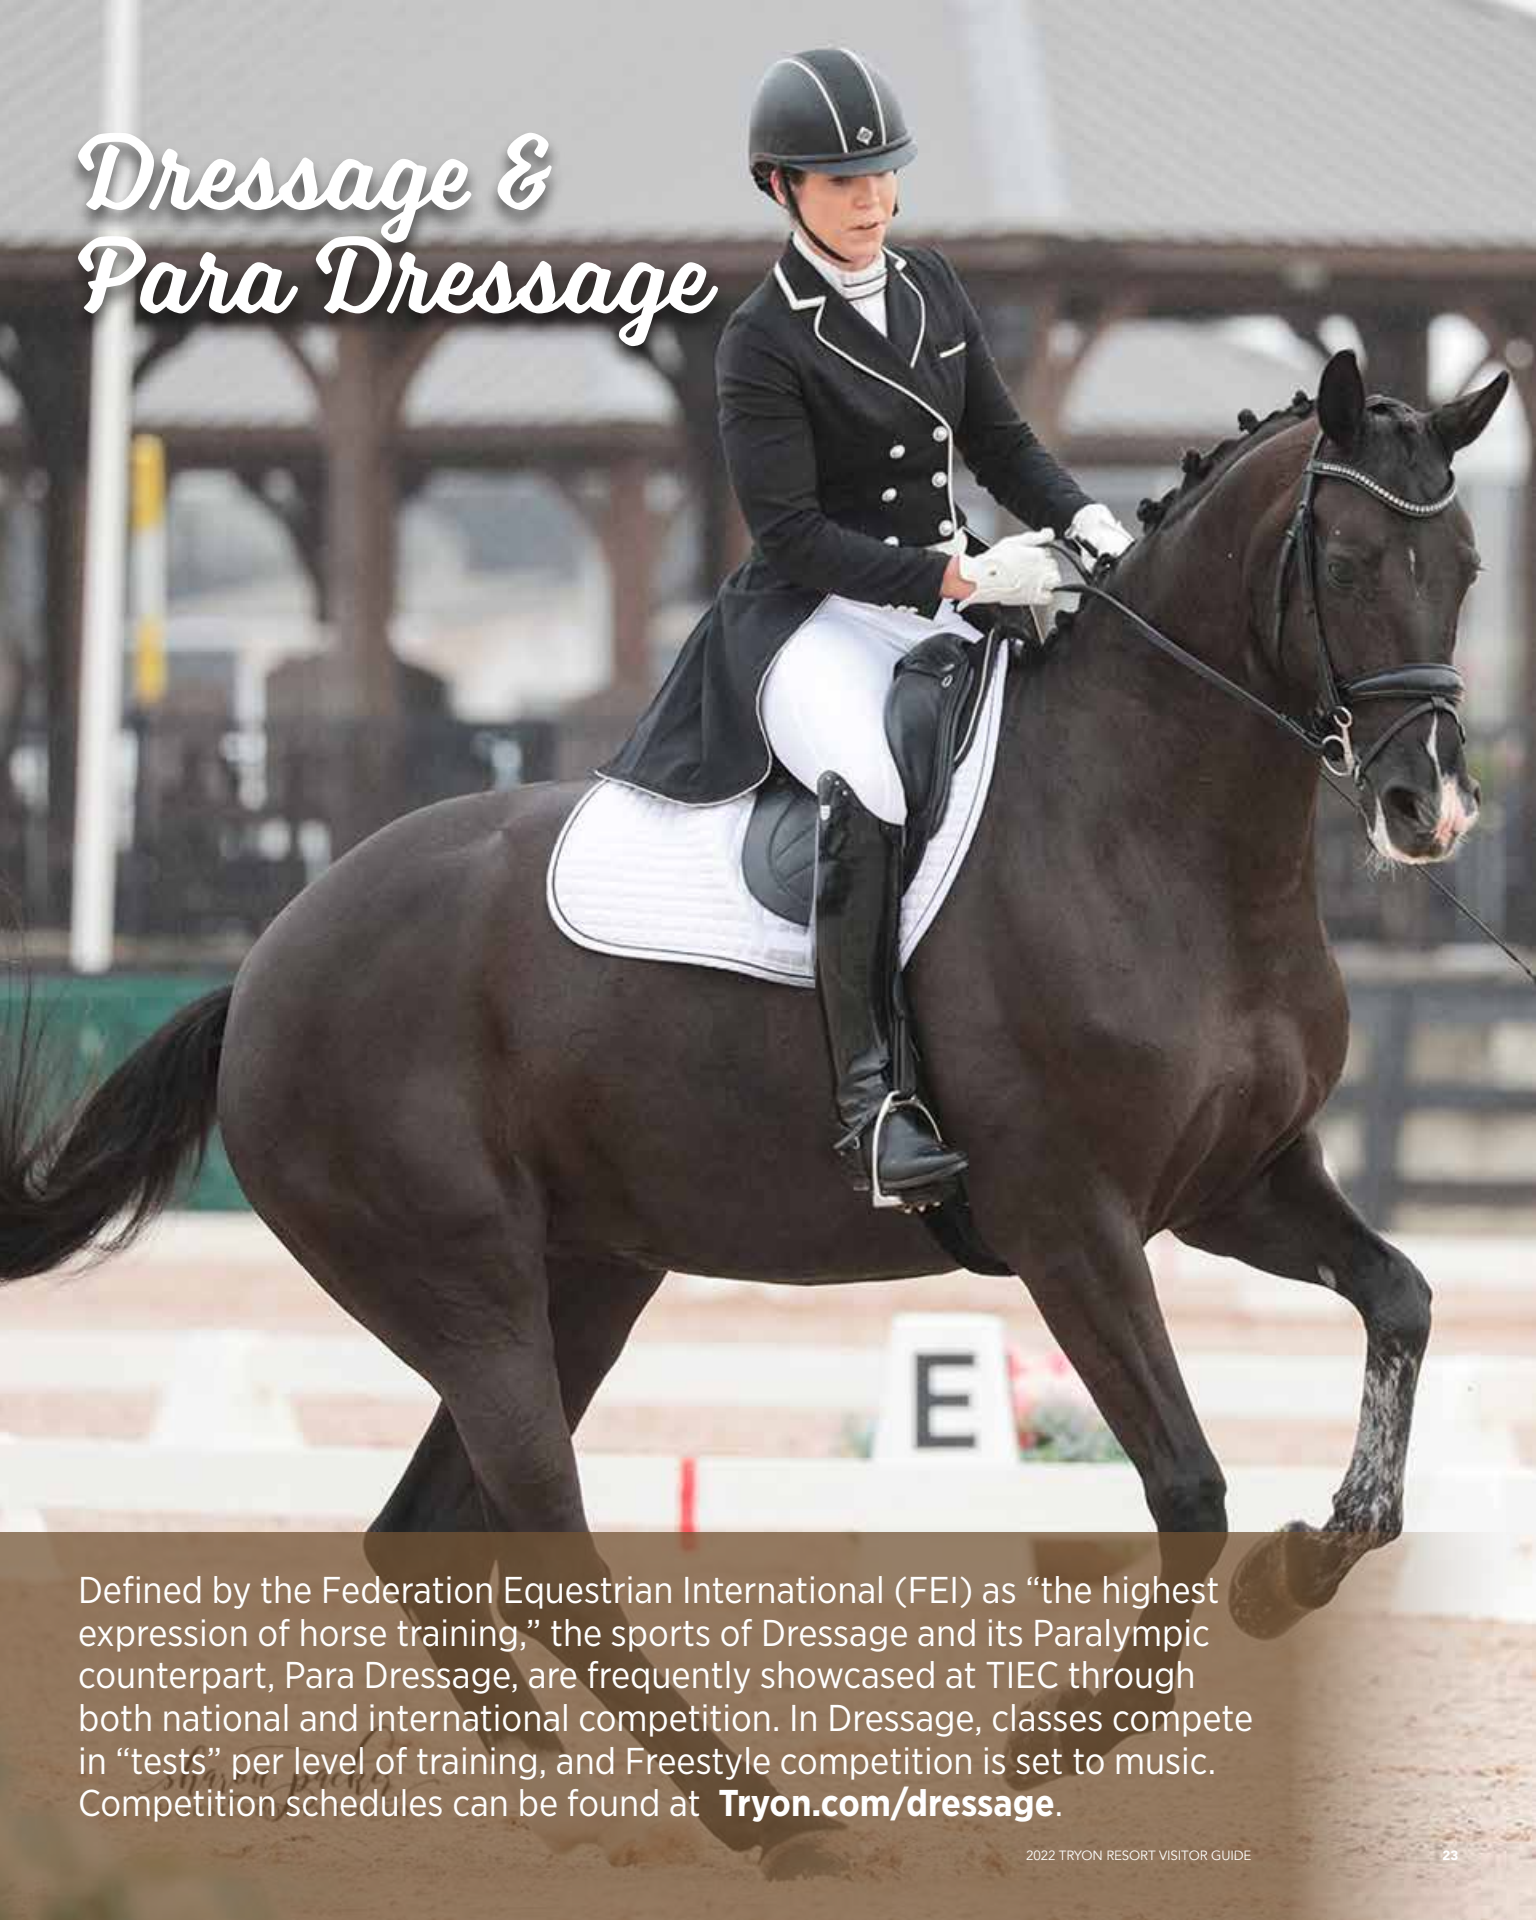

# Eventing

Eventing is a formidable combination of Dressage, Cross-Country, and Show Jumping, done over multiple days with the same horse for each phase of competition. Known as the triathlon of the equestrian world, Eventing tests both the horse and rider in all aspects of horsemanship and athleticism. TIEC hosts both national and international Eventing competition throughout the year, all open to the public including Cross-Country competition on the famed White Oak Cross-Country Course. [Tryon.com/eventing](https://www.tryon.com/eventing)

# Dressage & Para Dressage

Defined by the Federation Equestrian International (FEI) as “the highest expression of horse training,” the sports of Dressage and its Paralympic counterpart, Para Dressage, are frequently showcased at TIEC through both national and international competition. In Dressage, classes compete in “tests” per level of training, and Freestyle competition is set to music. Competition schedules can be found at [Tryon.com/dressage](https://www.tryon.com/dressage).

# Driving

Like the sport of Eventing, but with a horse-drawn carriage, the sport of Driving tests a handler's skills over three phases - Dressage, Marathon, and Cones - in Singles, Pairs, and Four-in-hand divisions. This sport demands communication, finesse, and teamwork through three challenging phases of competition. Combined Driving competitions can be found at TIEC in spring and fall seasons, with full details at [Tryon.com/driving](https://www.tryon.com/driving).

## Steeplechase

Hosted locally for the first time in 1946, the Tryon Block House Steeplechase showcases the speed and athleticism of horse and rider over a two-mile track with numerous jumps. Hosted the weekend of April 15th annually, this tailgate event is a local favorite!

## PBR

The toughest sport on dirt returns to Tryon International, bringing Professional Bull Riders® competition to the venue for top-class thrills and western sport. It's the cowboys vs. bulls battling to the eight second buzzer, and you won't want to miss the action. Join us June 23-24, 2023 for this fan-favorite event!

## Mounted Games

Often set up in relay race formats, this fast-paced sport emphasizes horsemanship, balanced riding, teamwork, precision, and speed! Mounted Games events usually feature but are not limited to junior riders and ponies. From balloon popping to egg-and-spoon relays or pole bending, horse-and-rider pairs need to work together through multiple tests to come out on top. Mounted Games will be featured in three different events at TIEC this season, so stay tuned for more information!

## Vaulting

Simply described as gymnastics on horseback, Vaulting is a harmonious bond between horse and athlete that creates awe-inspiring acrobatic displays of skill and precision. You can find Individual, Pas de Deux (Pairs), and Team divisions at any competition.

## Rodeo Carolina

New for 2023, the World Champions Rodeo Alliance® (WCRA) brings Rodeo Carolina, the richest rodeo east of the Mississippi, to Tryon International this fall. Hosted October 6-7, 2023, you won't want to miss the chance to see some of that nation's best barrel racers, ropers, bull riders and so much more!

## Comedy & Live Music

There's always something to listen to - or laugh about - when you're at Tryon Resort! Comedy Nights are hosted frequently throughout the year, adding the perfect activity to your weekend plans. FREE Live music in Legends Plaza or at the silo bar can be enjoyed almost every weekend March through November, and you can view who's playing where at our events calendar.

## Ice Skating

Through Winterfest and beyond, enjoy ice time in the famed Tryon Stadium and experience the magic of the winter season with us! Birthday parties, private events, field trips and group packages are available, with skate rentals included with your skating ticket. Whether the kids need a Saturday morning outing or if you're looking for a fun date night activity, ice skating at Tryon Resort's real ice rink is a winter staple.

# Spectator's Guide

What am I watching? With so many equestrian sports featured throughout the year, we've created a handy spectators' guide to equestrian disciplines often seen at TIEC. You can explore horse show FAQ, discipline explanations, and learn what to expect before you're in the stands. Visit [Tryon.com/spectators](https://tryon.com/spectators) to learn more about the horse sports we love!

# Lodging

A photograph of a rustic bedroom interior. The walls are made of horizontal wooden planks. The headboard of a bed is constructed from thick, natural logs. The bed is dressed in white linens, including a pillow and a blanket. Two bedside lamps with conical shades provide warm, yellow light. The overall atmosphere is cozy and natural.

Whether you're here for the horses, special events or mountain views, Tryon Resort is the perfect place to rest your head without adding a commute to your adventures. Choose a three or five-bedroom creekside cabin for a relaxing retreat, one-bedroom "tiny house" cabins that sleep up to six, or enjoy a room at the Stable House Inn. RV pads with full hook-ups are also available in an expansive RV park with a rec center. These cozy accommodations provide easy access to dining, shopping and competition.
